## Pastoral Care Ministry

The Pastoral Care Ministry is composed of caring lay ministers whose primary function is to distribute the Eucharist to parishioners. To arrange for a Pastoral Care visit for a hospitalized or homebound family member, please contact Deacon Dave Kapala at (219) 836-8610, # 313 or [dkapala@stm-church.com](mailto:dkapala@stm-church.com).

## Vocations Committee

We pray for the Christian families that they may provide a favorable atmosphere for their youngsters and help them make the right choices. We beseech you that all priests and religious be an example to our youth by their availability and humble readiness to accept the gifts of the Holy Spirit.

## Most Holy Body and Blood of Christ

"The Jews quarreled among themselves, saying, 'How can this man give us his flesh to eat?'" From the beginning, the Eucharist has been a source of controversy. Some people have always found the teaching difficult to accept. But as Catholics, the Blessed Sacrament is at the heart of our worship and our spirituality; we go to Mass to share in the holy sacrifice of Jesus' body and blood, and we receive spiritual nourishment from partaking of this heavenly food. As Jesus himself tells us in today's Gospel, "Whoever eats my flesh and drinks my blood remains in me and I in him."

From this passage it is clear that Jesus intended the Eucharist to be a tremendous gift for us, for "whoever eats this bread will live forever." This of course is because the bread is Christ's "flesh for the life of the world." In other words, just as he gave his body on the cross to save us from our sins, so too this same flesh is given for us at every Mass to strengthen our weakness and unite us more deeply to our Savior. Receiving Communion isn't like taking a magic pill, however. We must beware of reducing this sacrament to an empty ritual or a foolproof guarantee of heaven. No, it is quite possible to receive Communion unworthily and reject its spiritual efficacy. Just like the benefits of a healthy meal can be undone by a habit of binging on junk food, so too we can prevent holy Communion from having its full benefits when we crowd our souls with vices and sins. If, on the other hand, we wish to let this sacrament of divine grace flourish, we should receive it with a sincere spirit of gratitude and reverence, praying that we may be made worthy to receive such a gift.

The study will be covering twenty-four videos presented by Jeff Cavins.

Each video will be preceded by prayer and lively group discussion.

Our study will be held weekly in **two sessions:** August-November, 2017 and January-March, 2018  
**Session One: August 17 to November 9, 2017**

**6:30 - 8:30 pm in the Parish Office Conference Room**

The cost of the program is \$30.00 to cover the study materials and will be collected at the first class. Space is limited!

Please register by July 25 by calling or emailing Denise Gard at (219) 201-4103; [dgard08@sbcglobal.net](mailto:dgard08@sbcglobal.net).

HE BELIEVES IN US

“My father gave me the greatest gift anyone could give another person, he believed in me.” ~ Jim Valvano

Today is the Solemnity of the Body and Blood of Christ. It is also Father's Day. Some of you may wonder which one of the two I will choose to highlight on this day. Am I going to “go for” the secular holiday or am I going to stick with the Church solemnity. My response: “Why not do both?!”

Our Father loved us so much that He sent His Son into the world. Jesus was born for us, as one of us, so that He might free us from sin and death. In order to do that, He died upon the cross and rose from the dead three days later, effectively destroying death and restoring life.

On the night before He died, Jesus gave us the great gift of the Eucharist — His Body and Blood — so that we could be nourished on this earth as we journey toward the Kingdom.

There are many ways to nourish someone. The most obvious, of course, is to eat and drink. However, we are also nourished emotionally and spiritually by a host of others in our lives. The primary nourishers in our lives are our mothers and fathers.

Our fathers are charged with the responsibility of caring for us, nurturing us, and guiding us. They are called to teach us what is and will be important in our lives. The way to teach best is by example.

Fathers are called to teach love by being people of love. The love that fathers show to their wives and to their children will go a long way in teaching their children how to love. The mercy and patience and understanding that they are called to emulate also go a long way in shaping their sons and daughters.

Are all fathers perfect? Of course not. None of us are perfect. Do all fathers deserve our love and respect. Of course. Everyone deserves love and respect.

For all the times our fathers may get it wrong, bear patiently and forgive lovingly. For all the times they get it right, be grateful and show your appreciation and love.

Eternal thanks and praise to our Heavenly Father for loving us into existence and calling us back home at the end of our days.

**FAITH ACTION:** Pray for all fathers and fathers-to-be, that God's love may come into their lives and that they may be shining examples of His love to all. *In. Mike*

PLEASE REMEMBER THEM

Please pray for the priests and deacons who have served the Diocese of Gary so faithfully and whose anniversaries of death are this week:

- June 20: Msgr. Edward H. Vurpillat (1969)
- Rev. Carl J. Holsinger (1978)

- June 24: Rev. Antoniu Dunca (1981)

RENOVATION UPDATES

Work is proceeding at a furious pace in our school building. They are doing as much as they can in the school as fast as they can so that the classrooms are ready for use at the end of the summer.

The hallways have been closed off to foot traffic because of welding in the classrooms and halls.

As they continue, they will be working on putting the new electric service into the building. NIPSCO is scheduling the placement of a new, high capacity, transformer to supply the church and school buildings with all the power they will need.

Some of you have been calling toward the end of the past couple of weeks to see if we will be having Mass in the gym or church. That temporary move will not have to be made for another month or two yet. We will give you plenty of notice so that you can determine what you might want to do in terms of weekend worship at those times. Please keep this in mind, though, especially with the present renovations and their related costs: if you go to another parish for Mass on the weekends we need to move to the gym, please consider bringing your envelope in as we need to keep our cash flow working as much in our favor as possible. It will be wonderful when all the work is done!

ON THE LIGHTER SIDE

Things You'll Never Hear a Dad Say:

- ◆ “Well, how about that? I'm lost. Looks like we'll have to stop and ask for directions.”
- ◆ “I noticed that all your friends have a certain hostile attitude. I like that.”
- ◆ “Here's a credit card and the keys to my new car. Go crazy!”
- ◆ “Your Mother and I are going away for the weekend. You might want to consider throwing a party.”
- ◆ “Well, I don't know what's wrong with your car. Probably one of those things that makes it run or something. Just have it towed to a mechanic and pay whatever he asks.”
- ◆ “No son of mine is going to live under this roof without an earring. Now quit your belly-aching and let's go to the mall.”
- ◆ “Want do you want to go and get a job for? I make plenty of money for you to spend.”

## 8th Grade Athletic Banquet

### All Graduating Athletes Honored

Each year during the annual Athletic Banquet, all student athletes from the graduating 8<sup>th</sup> grade class are recognized, honoring a special male and female athlete for their outstanding sportsmanship and character both on and off the field of play. We are proud to announce this year's honorees:

#### Holly Kaim

##### Colleen Lusk Memorial Award

*8th grade athlete, Holly Kaim, recipient of the Colleen Lusk Memorial Award.*

The Colleen Lusk Memorial Award is named after 2011 STMS graduate Colleen Lusk, who lost her battle with Cystic Fibrosis at age 16. She is fondly remembered by all who knew her by her positive attitude, tremendous faith and inspirational approach to serve others by giving of herself.

Chosen by coaches and classmates, Holly Kaim, this year's Colleen Lusk Memorial Award recipient, is the embodiment of all of these qualities Congratulations, Holly!

#### George H. Porter Memorial Award

##### Andrew Forszt & Juan Olivencia

George H. Porter, a teacher of both Science and Physical Education at St. Thomas More School, served our school from 1965 until 1982 and was the school's first Athletic Director.

Each year, an 8<sup>th</sup> grade male athlete is selected by coaches and classmates who exemplifies a Christian attitude toward sports and teamwork and lives by example of good sportsmanship and putting "team" before self.

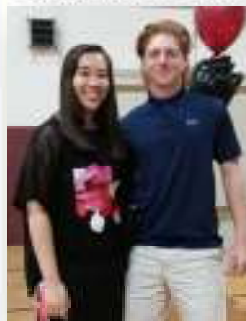

This year, two 8<sup>th</sup> grade boys tied for this honor and we are proud to announce that co-recipients of the George H. Porter Memorial Award are Andrew Forszt and Juan Olivencia. Congratulations, Andrew and Juan!

This year, we were honored to welcome guest speakers and St. Thomas More School alumni, Kelsey Friis and Dan Murray, both members of the STMS Class of 2013.

Kelsey Friis, a 2017 Andean High School honors graduate, was a member of the Andean track & field and the girls soccer teams, winning a sectional, regional and state title during her high school career in addition to several personal academic and athletic honors and awards, including Most Improved Player and the Andean Award. Kelsey will be attending Ball State University in the fall to study exercise science (pre-occupational therapy).

Dan Murray, also a 2017 Andean honors graduate, was an integral member of the high school's baseball and football teams, earning team captain accolades on both J.V. and Varsity teams, distinguished leadership awards and

conference, regional and semi-state Andean titles. Dan plans to attend Purdue University, West Lafayette to study athletic training in the fall.
