

St Thomas More St Vincent de Paul Youth Conference
Presents!!!

BUNCO!!!!

Here's how you play:

You need 3 dice and 3-5 players per table. Some paper and a pen to keep score and PRIZES...like small candies – they win a lot!

First person rolls all three dice. They continue to roll until they reach Bunco or they do not achieve any points on their roll. Then they pass the dice to the next person.

First Round – players want to achieve the roll of the #1 on each of the three dice. That would be a Bunco for round one.

Second Round - players want to achieve the roll of the #2 on each of the three dice. That would be a Bunco for round two.

Round Three – you get the gist...

You may also achieve a Bunco by reaching 23 points. You achieve points by:

1 Point for each "round" number you roll. For example, if you are on round four and you roll a 6 a 2 and a 4, you receive 1 point and continue to roll.

5 Points for each of the following:

- three of a kind (doesn't matter the round number – but if you get three of a kind of the round number you are on, you automatically get Bunco!)
- a straight (1,2,3 or 3,4,5...etc)

That is it! Once you sit with someone who has played before, you'll see how fun and easy it is. Come help us enlighten an elderly person's day – Bunco is fun and easy for all!

DIRECTIONS

MED INN

Meet in the cafeteria located on the South side of the building. Park in the lot by Staples. The door is just off the picnic table area.

HEARTSFIELD VILLAGE

Meet at the Care Center, 503 Otis Bowen Drive in Munster (off of Columbia by Fitness Point). This is the building just before the curve and has a car port. We play in the dining room on the first floor. (if you need a ride call Lenny and Joe Bularzik at 838-7887)
